Store your child's toy cars in their own parking garage. Gus' Garage can hold 20 cars, and a Mini Max garage can house four cars. These hand-painted hideaways provide functional storage and playtime potential for your new drivers. \$65 for Gus' Garage and \$30 for Mini Max; Squish; www.squishme.com

do-it tip

Make a tiny room look more spacious by painting the walls in a light color with cool undertones: Think cornflower blue or pale moss green.
